Option 1 is to call in using our conference call service by 7PM on Wednesday. If you need the phone number and access code, please call the church office.

Option 2 is to come inside the sanctuary for Bible Study. We will spread out and social distance. The wearing of masks will be encouraged. If you have any questions, please call the church office.

**Annual Ladies Salad Supper**

With much prayer and consideration, the Annual Churchwide Women's Salad Supper scheduled in September has been canceled due to COVID 19. Plans are to reschedule in May.

**Food Box Program**

MBC is still participating in the **Farmers to Families Food Box Program**. This program is made possible from a grant from the USDA. Baptists on Mission is honored to be one of the non-profit groups that were selected to participate in this program. This program is an excellent way to help our families affected by COVID-19 and an excellent way to help our farmers. This program will provide 8,000 food boxes each week to people across our state. **Our church is a distribution site as well as a recipient of boxes for the Blessings in a Backpack Program.**

**College Addresses**

If someone in your family is in college, we would like to have their address for our MBC Handbook and for the Care Team. Also, please let us know if the address should be the same as last year. Please call the church office, email them to us or we have a green form located at the Welcome Center for you to fill out. Thanks!
