Notice from the Business Management Team

The Facilities Maintenance and Grounds Team has secured quotes to replace much of the roof over the main church facility complex and requests approval to spend up to \$100,000 for this contract service, from the current Capital Improvement Fund. This requested value allows for a contingency to address any discoveries which may occur during the roofing process which are currently unforeseen. The BMT will bring this request forward for MBC membership discussion and vote during the next Ministry Celebration on April 19, 2023. The Facilities and Business Management teams can provide details concerning the project and available funds during that session and are available to answer any questions in the interim.

A Warm Welcome to our

New Associate Pastor of Next Generation Ministries:

If you would like to contribute toward welcoming Jordan Drake and his family to our MBC family and the Williamston area through helping to stock their interim home here, with basic supply and food items, you may make your monetary donations to the church office before April the 10th. The Search Team will use these donations to purchase the items and place them in the home prior to the Drake's arrival the week of April 10th.
